

The Journal OF THE *House of Representatives*

Number 37

Friday, April 25, 2014

The House was called to order by the Speaker at 10:30 a.m.

Prayer

The following prayer was offered by the Reverend Michael D. Wiggins of Pine Terrace Baptist Church of Milton, upon invitation of Rep. Broxson:

Heavenly Father, we thank You for Your presence in this place today and we begin by acknowledging that You are sovereign over everything. We recognize that everything comes from You and all glory and honor and praise goes to You. I thank You for the men and women who are in this Chamber today. I thank You for their willingness to be servants in this state for the good of its people and for the glory of God. And I thank You for the opportunity to intercede on their behalf today.

I pray that You will help them to seek and accept wise counsel; that You will teach them to trust in You; that You would protect them from the influences of this world. I ask You to give them discretion, foresight, and understanding in making decisions, to generously answer their prayers for wisdom and to pour out Your spirit on their leadership. Please deliver them from opinions contrary to Your word. I ask You to protect them from harm and bless and protect their families. Heavenly Father, I ask You to enable them to carry out their duties with humility toward You and toward others. Bless them, Lord, with strength, endurance, and stamina. I ask You to equip them to act according to Your will and make choices that are pleasing to You. Give them the courage to do the right thing, even when they are urged to do the wrong thing. And finally, I ask You to give them a tender heart of compassion toward those they lead and they serve. And, Heavenly Father, we thank You for the blessings of this day, and we thank You, Lord, that we can ask this prayer in the powerful name of our Savior, Jesus Christ. Amen.

121.4501 Florida Retirement System Investment Plan.—

(1) The Trustees of the State Board of Administration shall establish a defined contribution program called the "Florida Retirement System Investment Plan" or "investment plan" for members of the Florida Retirement System under which retirement benefits will be provided for eligible employees who elect to participate in the program and for employees initially enrolled on or after July 1, 2015, in positions covered by the Elected Officers' Class and are compulsory members of the investment plan unless the member withdraws from the system under s. 121.052(3)(d), or participates in an optional retirement program under s. 121.051(1)(a), s. 121.051(2)(c), or s. 121.35. Investment plan membership continues if there is subsequent employment in a position covered by another membership class. The retirement benefits shall be provided through member-directed investments, in accordance with s. 401(a) of the Internal Revenue Code and related regulations. The employer and employee shall make contributions, as provided in this section and ss. 121.571 and 121.71, to the Florida Retirement System Investment Plan Trust Fund toward the funding of benefits.

(2) DEFINITIONS.—As used in this part, the term:

(e) "Eligible employee" means an officer or employee, as defined in s. 121.021, who:

1. Is a member of, or is eligible for membership in, the Florida Retirement System, including any renewed member of the Florida Retirement System initially enrolled before July 1, 2010; ~~or~~

2. Participates in, or is eligible to participate in, the Senior Management Service Optional Annuity Program as established under s. 121.055(6), the State Community College System Optional Retirement Program as established under s. 121.051(2)(c), or the State University System Optional Retirement Program established under s. 121.35; or

3. The term does not include any member participating in the Deferred Retirement Option Program established under s. 121.091(13), a retiree of a state-administered retirement system ~~who retired initially reemployed in a regularly established position~~ on or after July 1, 2010, or a mandatory participant of the State University System Optional Retirement Program established under s. 121.35.

(i) "Member" or "employee" means an eligible employee who enrolls in, or is defaulted into, the investment plan as provided in subsection (4), a terminated Deferred Retirement Option Program member as described in subsection (21), or a beneficiary or alternate payee of a member or employee.

(3) RETIREMENT SERVICE CREDIT; TRANSFER OF BENEFITS.—

(b) Notwithstanding paragraph (a), an eligible employee who elects to participate in, or is defaulted into, the investment plan and establishes one or more individual member accounts may elect to transfer to the investment plan a sum representing the present value of the employee's accumulated benefit obligation under the pension plan, except as provided in paragraph (4)(b). Upon transfer, all service credit earned under the pension plan is nullified for purposes of entitlement to a future benefit under the pension plan. A member may not transfer the accumulated benefit obligation balance from the pension plan after the time period for enrolling in the investment plan has expired.

1. For purposes of this subsection, the present value of the member's accumulated benefit obligation is based upon the member's estimated creditable service and estimated average final compensation under the pension plan, subject to recomputation under subparagraph 2. For state employees, initial estimates shall be based upon creditable service and average final compensation as of midnight on June 30, 2002; for district school board employees, initial estimates shall be based upon creditable service and average final compensation as of midnight on September 30, 2002; and for local government employees, initial estimates shall be based upon creditable service and average final compensation as of midnight on December 31, 2002. The dates specified are the "estimate date" for these

employees. The actuarial present value of the employee's accumulated benefit obligation shall be based on the following:

a. The discount rate and other relevant actuarial assumptions used to value the Florida Retirement System Trust Fund at the time the amount to be transferred is determined, consistent with the factors provided in sub-subparagraphs b. and c.

b. A benefit commencement age, based on the member's estimated creditable service as of the estimate date.

c. Except as provided under sub-subparagraph d., for a member initially enrolled:

(I) Before July 1, 2011, the benefit commencement age is the younger of the following, but may not be younger than the member's age as of the estimate date:

(A) Age 62; or

(B) The age the member would attain if the member completed 30 years of service with an employer, assuming the member worked continuously from the estimate date, and disregarding any vesting requirement that would otherwise apply under the pension plan.

(II) On or after July 1, 2011, the benefit commencement age is the younger of the following, but may not be younger than the member's age as of the estimate date:

(A) Age 65; or

(B) The age the member would attain if the member completed 33 years of service with an employer, assuming the member worked continuously from the estimate date, and disregarding any vesting requirement that would otherwise apply under the pension plan.

d. For members of the Special Risk Class and for members of the Special Risk Administrative Support Class entitled to retain the special risk normal retirement date:

(I) Initially enrolled before July 1, 2011, the benefit commencement age is the younger of the following, but may not be younger than the member's age as of the estimate date:

(A) Age 55; or

(B) The age the member would attain if the member completed 25 years of service with an employer, assuming the member worked continuously from the estimate date, and disregarding any vesting requirement that would otherwise apply under the pension plan.

(II) Initially enrolled on or after July 1, 2011, the benefit commencement age is the younger of the following, but may not be younger than the member's age as of the estimate date:

(A) Age 60; or

(B) The age the member would attain if the member completed 30 years of service with an employer, assuming the member worked continuously from the estimate date, and disregarding any vesting requirement that would otherwise apply under the pension plan.

e. The calculation must disregard vesting requirements and early retirement reduction factors that would otherwise apply under the pension plan.

2. For each member who elects to transfer moneys from the pension plan to his or her account in the investment plan, the division shall recompute the amount transferred under subparagraph 1. within 60 days after the actual transfer of funds based upon the member's actual creditable service and actual final average compensation as of the initial date of participation in the investment plan. If the recomputed amount differs from the amount transferred by \$10 or more, the division shall:

a. Transfer, or cause to be transferred, from the Florida Retirement System Trust Fund to the member's account the excess, if any, of the recomputed amount over the previously transferred amount together with interest from the initial date of transfer to the date of transfer under this subparagraph, based upon the effective annual interest equal to the assumed return on the actuarial investment which was used in the most recent actuarial valuation of the system, compounded annually.

b. Transfer, or cause to be transferred, from the member's account to the Florida Retirement System Trust Fund the excess, if any, of the previously transferred amount over the recomputed amount, together with interest from the initial date of transfer to the date of transfer under this subparagraph, based

upon 6 percent effective annual interest, compounded annually, pro rata based on the member's allocation plan.

3. If contribution adjustments are made as a result of employer errors or corrections, including plan corrections, following recomputation of the amount transferred under subparagraph 1., the member is entitled to the additional contributions or is responsible for returning any excess contributions resulting from the correction. However, ~~a any~~ return of such erroneous excess pretax contribution by the plan must be made within the period allowed by the Internal Revenue Service. The present value of the member's accumulated benefit obligation ~~may shall~~ not be recalculated.

4. As directed by the member, the state board shall transfer or cause to be transferred the appropriate amounts to the designated accounts within 30 days after the effective date of the member's participation in the investment plan unless the major financial markets for securities available for a transfer are seriously disrupted by an unforeseen event that causes the suspension of trading on ~~a any~~ national securities exchange in the country where the securities were issued. In that event, the 30-day period may be extended by a resolution of the state board. Transfers are not commissionable or subject to other fees and may be in the form of securities or cash, as determined by the state board. Such securities are valued as of the date of receipt in the member's account.

5. If the state board or the division receives notification from the United States Internal Revenue Service that this paragraph or any portion of this paragraph will cause the retirement system, or a portion thereof, to be disqualified for tax purposes under the Internal Revenue Code, the portion that will cause the disqualification does not apply. Upon such notice, the state board and the division shall notify the presiding officers of the Legislature.

The employee may move the contributions once an account is activated in the investment plan.

5. Effective the first day of the month after an eligible employee makes a plan election of the pension plan or investment plan, or after the month of default to the investment plan, the employee and employer shall pay the applicable contributions based on the employee membership class in the program.

4. For purposes of this paragraph, "state employer" means any agency, board, branch, commission, community college, department, institution, institution of higher education, or water management district of the state, which participates in the Florida Retirement System for the benefit of certain employees.

(e)(f) A member of the investment plan who takes a distribution of any contributions from his or her investment plan account is considered a retiree. A member retiree who retires is initially reemployed in a regularly established position on or after July 1, 2010, is not eligible to be enrolled in renewed membership. A member who retired before July 1, 2010, and is employed on or after January 1, 2015, in a regularly established position shall be a renewed member as provided in s. 121.122, except that a retiree who has returned to covered employment before July 1, 2010, may continue membership in the plan he or she chooses.

(f)(g) After the period during which an eligible employee had the choice to elect the pension plan or the investment plan, or the month following the receipt of the eligible employee's plan election, if sooner, the employee shall have one opportunity, at the employee's discretion, to choose to move from the pension plan to the investment plan or from the investment plan to the pension plan. Eligible employees may elect to move between plans only if they are earning service credit in an employer-employee relationship consistent with s. 121.021(17)(b), excluding leaves of absence without pay. Effective July 1, 2005, such elections are effective on the first day of the month following the receipt of the election by the third-party administrator and are not subject to the requirements regarding an employer-employee relationship or receipt of contributions for the eligible employee in the effective month, except when the election is received by the third-party administrator. This paragraph is contingent upon approval by the Internal Revenue Service. This paragraph does not apply to compulsory investment plan members under paragraph (g).

1. If the employee chooses to move to the investment plan, the provisions of subsection (3) govern the transfer.

2. If the employee chooses to move to the pension plan, the employee must transfer from his or her investment plan account, and from other employee moneys as necessary, a sum representing the present value of that employee's accumulated benefit obligation immediately following the time of such movement, determined assuming that attained service equals the sum of service in the pension plan and service in the investment plan. Benefit commencement occurs on the first date the employee is eligible for unreduced benefits, using the discount rate and other relevant actuarial assumptions that were used to value the pension plan liabilities in the most recent actuarial valuation. For any employee who, at the time of the second election, already maintains an accrued benefit amount in the pension plan, the then-present value of the accrued benefit is deemed part of the required transfer amount. The division must ensure that the transfer sum is prepared using a formula and methodology certified by an enrolled actuary. A refund of any employee contributions or additional member payments made which exceed the employee contributions that would have accrued had the member

remained in the pension plan and not transferred to the investment plan is not permitted.

3. Notwithstanding subparagraph 2., an employee who chooses to move to the pension plan and who became eligible to participate in the investment plan by reason of employment in a regularly established position with a state employer after June 1, 2002; a district school board employer after September 1, 2002; or a local employer after December 1, 2002, must transfer from his or her investment plan account, and from other employee moneys as necessary, a sum representing the employee's actuarial accrued liability. A refund of any employee contributions or additional member participant payments made which exceed the employee contributions that would have accrued had the member remained in the pension plan and not transferred to the investment plan is not permitted.

4. An employee's ability to transfer from the pension plan to the investment plan pursuant to paragraphs (a) and (b) ~~(a)-(d)~~, and the ability of a current employee to have an option to later transfer back into the pension plan under subparagraph 2., shall be deemed a significant system amendment. Pursuant to s. 121.031(4), any resulting unfunded liability arising from actual original transfers from the pension plan to the investment plan must be amortized within 30 plan years as a separate unfunded actuarial base independent of the reserve stabilization mechanism defined in s. 121.031(3)(f). For the first 25 years, a direct amortization payment may not be calculated for this base. During this 25-year period, the separate base shall be used to offset the impact of employees exercising their second program election under this paragraph. The actuarial funded status of the pension plan will not be affected by such second program elections in any significant manner, after due recognition of the separate unfunded actuarial base. Following the initial 25-year period, any remaining balance of the original separate base shall be amortized over the remaining 5 years of the required 30-year amortization period.

5. If the employee chooses to transfer from the investment plan to the pension plan and retains an excess account balance in the investment plan after satisfying the buy-in requirements under this paragraph, the excess may not be distributed until the member retires from the pension plan. The excess account balance may be rolled over to the pension plan and used to purchase service credit or upgrade creditable service in the pension plan.

(g)1. All employees initially enrolled on or after July 1, 2015, in positions covered by the Elected Officers' Class are compulsory members of the investment plan, except those who withdraw from the system under s. 121.052(3)(d), or those who participate in an optional retirement program under s. 121.051(1)(a), s. 121.051(2)(c), or s. 121.35. Employees eligible to withdraw from the system under s. 121.052(3)(d) may choose to withdraw from the system or to participate in the investment plan as provided in those sections. Employees eligible for optional retirement programs under s. 121.051(2)(c) or s. 121.35, except as provided in s. 121.051(1)(a), may choose to participate in the optional retirement program or the investment plan as provided in those sections. Investment plan membership continues if there is subsequent employment in a position covered by another membership class. Membership in the pension plan is not permitted except as provided in s. 121.591(2). Employees initially enrolled in the Florida Retirement System prior to July 1, 2015, may retain their membership in the pension plan or investment plan and are eligible to use the election opportunity specified in s. 121.4501(4)(f).

2. Employees initially enrolled on or after July 1, 2015, in a position covered by the Elected Officers' Class are not permitted to use the

(1) If a municipality has a ~~retirement pension~~ plan for firefighters, or ~~a pension plan~~ for firefighters and police officers if both are included, which in the opinion of the division meets the minimum benefits and minimum standards set forth in this chapter, the board of trustees of the pension plan ~~must, as approved by a majority of firefighters of the municipality, may:~~

(a) place the income from the premium tax in s. 175.101 in such ~~pension~~ plan for the sole and exclusive use of its firefighters, or for firefighters and police officers if both are included, where it shall become an integral part of that ~~pension~~ plan and ~~shall~~ be used to fund benefits as provided herein. Effective October 1, 2014, for noncollectively bargained service or upon entering into a collective bargaining agreement on or after July 1, 2014:

(a) The base premium tax revenues must be used to fund minimum benefits or other retirement benefits in excess of the minimum benefits as determined by the municipality or special fire control district.

(b) Of the additional premium tax revenues received which are in excess of the amount received for the 2012 calendar year, 50 percent must be used to fund minimum benefits or other retirement benefits in excess of the minimum benefits as determined by the municipality or special fire control district, and 50 percent must be placed in a defined contribution plan to fund special benefits.

(c) Additional premium tax revenues not described in paragraph (b) must be used to fund benefits that are not included in the minimum benefits. If the additional premium tax revenues subject to this paragraph exceed the full

annual cost of benefits provided through the plan which are in excess of the minimum benefits, any amount in excess of the full annual cost must be used as provided in paragraph (b).

(d) Of any accumulations of additional premium tax revenues which have not been allocated to fund benefits in excess of the minimum benefits, 50 percent of the amount of the accumulations must be used to fund special benefits, and 50 percent must be applied to fund any unfunded actuarial liabilities of the plan; provided that any amount of accumulations in excess of the amount required to fund the unfunded actuarial liabilities must be used to fund special benefits to pay extra benefits to the firefighters included in that pension plan; or

(b) Place the income from the premium tax in s. 175.101 in a separate supplemental plan to pay extra benefits to firefighters, or to firefighters and police officers if included, participating in such separate supplemental plan.

(e) For a plan created after March 1, 2014, 50 percent of the insurance premium tax revenues must be used to fund defined benefit plan component benefits, with the remainder used to fund defined contribution plan component benefits.

(f) If a plan offers benefits in excess of the minimum benefits, such benefits, excluding supplemental plan benefits in effect as of September 30, 2013, may be reduced if the plan continues to meet the minimum benefits and the minimum standards set forth in this chapter. The amount of insurance premium tax revenues previously used to fund benefits in excess of minimum benefits, excluding the amount of any additional premium tax revenues distributed to a supplemental plan for calendar year 2012, before the reduction must be used as provided in paragraph (b). However, benefits in excess of the minimum benefits may not be reduced if a plan does not meet the minimum percentage amount of 2.75 percent, or greater, of the average final compensation of a full-time firefighter, as provided in s. 175.162(2)(a) 1., or provides an effective benefit that is below 2.75 percent as a result of a maximum benefit limitation, as described in s. 175.162(2)(a)2.

(g) Notwithstanding paragraphs (a)-(f), the use of premium tax revenues, including any accumulations of additional premium tax revenues which have not been allocated to fund benefits in excess of the minimum benefits, may deviate from the provisions of this subsection by mutual consent of the members' collective bargaining representative or, if none, by majority consent of the firefighter members of the fund, and by consent of the municipality or special fire control district, provided that the plan continues to meet the minimum benefits and minimum standards of this chapter; however, a plan that operates pursuant to this paragraph which does not meet the minimum benefits as of October 1, 2012, may continue to provide the benefits that do not meet the minimum benefits at the same level as was provided as of October 1, 2012, and all other benefit levels must continue to meet the minimum benefits. Such mutually agreed deviation shall continue until modified or revoked by subsequent mutual consent of the members' collective bargaining representative or, if none, by a majority of the firefighter members of the fund, and the municipality or special fire control district. An existing arrangement for the use of premium tax revenues contained within a special act plan or a plan within a supplemental plan municipality is considered, as of July 1, 2014, to be a deviation for which mutual consent has been granted.

(2) The premium tax provided by this chapter shall in all cases be used in its entirety to provide retirement extra benefits to firefighters, or to firefighters and police officers if both are included. However, local law plans in effect on October 1, 1998, must comply with the minimum benefit provisions of this chapter only to the extent that additional premium tax revenues become available to incrementally fund the cost of such compliance as provided in s. 175.162(2)(a). If a plan is in compliance with such minimum benefit provisions, as subsequent additional premium tax revenues become available, they must be used to provide extra benefits. Local law plans created by special act before May 27, 1939, are deemed to comply with this chapter. For the purpose of this chapter, the term:

(a) "Additional premium tax revenues" means revenues received by a municipality or special fire control district pursuant to s. 175.121 which exceed that amount received for calendar year 1997.

(b) "Extra benefits" means benefits in addition to or greater than those provided to general employees of the municipality and in addition to those in existence for firefighters on March 12, 1999.

(3) A retirement plan or amendment to a retirement plan may not be proposed for adoption unless the proposed plan or amendment contains an actuarial estimate of the costs involved. Such proposed plan or proposed plan change may not be adopted without the approval of the municipality, special fire control district, or, where required permitted, the Legislature. Copies of the proposed plan or proposed plan change and the actuarial impact statement of the proposed plan or proposed plan change shall be furnished to the division before the last public hearing on the proposal is held thereon. Such statement must also indicate whether the proposed plan or proposed plan change is in compliance with s. 14, Art. X of the State Constitution and those provisions of part VII of chapter 112 which are not expressly provided in this chapter. Notwithstanding any other provision, only those local law plans created by special act of legislation before May 27, 1939, are deemed to meet the minimum benefits and minimum standards only in this chapter.

(4) Notwithstanding any other provision, with respect to any supplemental plan municipality:

(a) A local law plan and a supplemental plan may continue to use their definition of compensation or salary in existence on March 12, 1999.

(b) Section 175.061(1)(b) does not apply, and a local law plan and a supplemental plan shall continue to be administered by a board or boards of trustees numbered, constituted, and selected as the board or boards were numbered, constituted, and selected on December 1, 2000.

(c) The election set forth in paragraph (1)(b) is deemed to have been made.

(5) The retirement plan setting forth the benefits and the trust agreement, if any, covering the duties and responsibilities of the trustees and the regulations of the investment of funds must be in writing, and copies made available to the participants and to the general public.

(6) In addition to the defined benefit component of the local law plan, each plan sponsor must have a defined contribution plan component within the local law plan by October 1, 2014, for noncollectively bargained service, upon entering into a collective bargaining agreement on or after July 1, 2014, or upon the creation date of a new participating plan. Depending upon the application of subsection (1), a defined contribution component may or may not receive any funding.

(7) Notwithstanding any other provision of this chapter, a municipality or special fire control district that has implemented or proposed changes to a local law plan based on the municipality's or district's reliance on an interpretation of this chapter by the Department of Management Services on or after August 14, 2012, and before March 4, 2014, may continue the implemented changes or continue to implement proposed changes. Such reliance must be evidenced by a written collective bargaining proposal or agreement, or formal correspondence between the municipality or district and the Department of Management Services which describes the specific changes to the local law plan, with the initial proposal, agreement, or correspondence from the municipality or district dated before March 4, 2014. Changes to the local law plan which are otherwise contrary to the minimum benefits and minimum standards in this chapter may continue in effect until the earlier of October 1, 2017, or the effective date of a collective bargaining agreement that is contrary to the changes to the local law plan.

In such event, for chapter plans and local law plans, payment of retirement income will be governed by the following provisions of this section:

Section 21. Section 185.35, Florida Statutes, is amended to read:

185.35 Municipalities that have ~~having~~ their own retirement ~~pension~~ plans for police officers. ~~For any municipality, chapter plan, local law municipality, or local law plan under this chapter,~~ In order for a municipality that has its ~~municipalities with their own retirement plan pension plans~~ for police officers, or for police officers and firefighters if ~~both are~~ included, to participate in the distribution of the tax fund established ~~under pursuant to~~ s. 185.08, a local law plan ~~plans~~ must meet the minimum benefits and minimum standards set forth in this chapter, ~~except as provided in the mutual consent provisions in paragraph (1)(g) with respect to the minimum benefits not met as of October 1, 2012.~~

(1) If a municipality has a ~~retirement pension~~ plan for police officers, or for police officers and firefighters if ~~both are~~ included, which, in the opinion of the division, meets the minimum benefits and minimum standards set forth in this chapter, the board of trustees of the pension plan ~~must, as approved by a majority of police officers of the municipality, may:~~

(a) place the income from the premium tax in s. 185.08 in such ~~pension~~ plan for the sole and exclusive use of its police officers, or its police officers and firefighters if ~~both are~~ included, where it shall become an integral part of that ~~pension~~ plan and ~~shall~~ be used to fund benefits as provided herein. Effective October 1, 2014, for noncollectively bargained service or upon entering into a collective bargaining agreement on or after July 1, 2014:

(a) The base premium tax revenues must be used to fund minimum benefits or other retirement benefits in excess of the minimum benefits as determined by the municipality.

(b) Of the additional premium tax revenues received which are in excess of the amount received for the 2012 calendar year, 50 percent must be used to fund minimum benefits or other retirement benefits in excess of the minimum benefits as determined by the municipality, and 50 percent must be placed in a defined contribution plan to fund special benefits.

(c) Additional premium tax revenues not described in paragraph (b) must be used to fund benefits that are not included in the minimum benefits. If the additional premium tax revenues subject to this paragraph exceed the full annual cost of benefits provided through the plan which are in excess of the minimum benefits, any amount in excess of the full annual cost must be used as provided in paragraph (b).

(d) Of any accumulations of additional premium tax revenues which have not been allocated to fund benefits in excess of the minimum benefits, 50 percent of the amount of the accumulations must be used to fund special benefits and 50 percent must be applied to fund any unfunded actuarial liabilities of the plan; provided that any amount of accumulations in excess of the amount required to fund the unfunded actuarial liabilities must be used to fund special benefits ~~pay extra benefits to the police officers included in that pension plan; or~~

(b) ~~May place the income from the premium tax in s. 185.08 in a separate supplemental plan to pay extra benefits to the police officers, or police officers and firefighters if included, participating in such separate supplemental plan.~~

(e) For a plan created after March 1, 2014, 50 percent of the insurance premium tax revenues shall be used to fund defined benefit plan component benefits, with the remainder used to fund defined contribution plan component benefits.

(f) If a plan offers benefits in excess of the minimum benefits, such benefits, excluding supplemental plan benefits in effect as of September 30, 2013, may be reduced if the plan continues to meet the minimum benefits and the minimum standards set forth in this chapter. The amount of insurance premium tax revenues previously used to fund benefits in excess of the minimum benefits, excluding the amount of any additional premium tax revenues distributed to a supplemental plan for calendar year 2012, before the reduction must be used as provided in paragraph (b). However, benefits in excess of the minimum benefits may not be reduced if a plan does not meet the minimum percentage amount of 2.75 percent, or greater, of the average final compensation of a police officer, as provided in s. 185.16(2)(a), or provides an effective benefit that is below 2.75 percent as a result of a maximum benefit limitation, as described in s. 185.16(2)(b).

(g) Notwithstanding paragraphs (a)-(f), the use of premium tax revenues, including any accumulations of additional premium tax revenues which have not been allocated to fund benefits in excess of the minimum benefits, may deviate from the provisions of this subsection by mutual consent of the members' collective bargaining representative or, if none, by majority consent of the police officer members of the fund, and by consent of the municipality, provided that the plan continues to meet the minimum benefits and minimum standards of this chapter; however, a plan that operates pursuant to this paragraph which does not meet the minimum benefits as of October 1, 2012, may continue to provide the benefits that do not meet the minimum benefits at the same level as was provided as of October 1, 2012, and all other benefit levels must continue to meet the minimum benefits. Such mutually agreed deviation shall continue until modified or revoked by subsequent mutual consent of the members' collective bargaining representative or, if none, by a majority of the police officer members of the fund, and the municipality. An existing arrangement for the use of premium tax revenues contained within a special act plan or a plan within a supplemental plan municipality is considered, as of July 1, 2014, to be a deviation for which mutual consent has been granted.

Section 1. Subsections (2), (3), and (5) of section 92.56, Florida Statutes, are amended to read:

92.56 Judicial proceedings and court records involving sexual offenses and human trafficking.—

(2) A defendant charged with a crime described in s. 787.06(3)(a)1., (c)1., or (e)1., s. 787.06(3)(b), (d), (f), or (g), chapter 794, or chapter 800, or with child abuse, aggravated child abuse, or sexual performance by a child as described in chapter 827, may apply to the trial court for an order of disclosure of information in court records held confidential and exempt pursuant to s. 119.0714(1)(h) or maintained as confidential and exempt pursuant to court order under this section. Such identifying information concerning the victim may be released to the defendant or his or her attorney in order to prepare the defense. The confidential and exempt status of this information may not be construed to prevent the disclosure of the victim's identity to the defendant; however, the defendant may not disclose the victim's identity to any person other than the defendant's attorney or any other person directly involved in the preparation of the defense. A willful and

knowing disclosure of the identity of the victim to any other person by the defendant constitutes contempt.

(3) The state may use a pseudonym instead of the victim's name to designate the victim of a crime described in s. 787.06(3)(a)1., (c)1., or (e)1., in s. 787.06(3)(b), (d), (f), or (g), or in chapter 794 or chapter 800, or of child abuse, aggravated child abuse, or sexual performance by a child as described in chapter 827, or any crime involving the production, possession, or promotion of child pornography as described in chapter 847, in all court records and records of court proceedings, both civil and criminal.

(5) This section does not prohibit the publication or broadcast of the substance of trial testimony in a prosecution for an offense described in s. 787.06(3)(a)1., (c)1., or (e)1., s. 787.06(3)(b), (d), (f), or (g), chapter 794, or chapter 800, or a crime of child abuse, aggravated child abuse, or sexual performance by a child, as described in chapter 827, but the publication or broadcast may not include an identifying photograph, an identifiable voice, or the name or address of the victim, unless the victim has consented in writing to the publication and filed such consent with the court or unless the court has declared such records not confidential and exempt as provided for in subsection (1).

Section 2. Paragraph (b) of subsection (2) of section 960.065, Florida Statutes, is amended to read:

960.065 Eligibility for awards.—

(2) Any claim filed by or on behalf of a person who:

(b) Was engaged in an unlawful activity at the time of the crime upon which the claim for compensation is based, unless the victim was engaged in prostitution as a result of being a victim of human trafficking as described in s. 787.06(3)(b), (d), (f), or (g);

is ineligible for an award.

Section 3. Section 960.199, Florida Statutes, is amended to read:

960.199 Relocation assistance for victims of sexual battery or human trafficking.—

(1) The department may award a one-time payment of up to \$1,500 on any one claim and a lifetime maximum of \$3,000 to a victim of sexual battery, as defined in s. 794.011, or a victim of human trafficking, as described in s. 787.06(3)(b), (d), (f), or (g), who needs relocation assistance.

(2) In order for an award to be granted to a victim for relocation assistance:

(a) There must be proof that a sexual battery offense or human trafficking offense, as described in s. 787.06(3)(b), (d), (f), or (g), was committed.

(b) The sexual battery offense or human trafficking offense, as defined in s. 787.06(3)(b), (d), (f), or (g), must be reported to the proper authorities.

(c) The victim's need for assistance must be certified by a certified rape crisis center in this state or by the state attorney or statewide prosecutor having jurisdiction over the offense. A victim of human trafficking's need for assistance may also be certified by a certified domestic violence center in this state.

(d) The center's center certification must assert that the victim is cooperating with law enforcement officials, if applicable, and must include documentation that the victim has developed a safety plan. If the victim seeking relocation assistance is a victim of a human trafficking offense as described in s. 787.06(3)(b), (d), (f), or (g), the certified rape crisis center's or certified domestic violence center's certification must include, if applicable, approval of the state attorney or statewide prosecutor attesting that the victim is cooperating with law enforcement officials.

381.0044 Hepatitis C testing.—

(1) As used in this section, the term:

(a) "Health care practitioner" means a person licensed under chapter 458 or chapter 459, or an advanced registered nurse practitioner certified under part I of chapter 464.

(b) "Hepatitis C diagnostic test" means a laboratory test that detects the presence of the hepatitis C virus in the blood and provides confirmation of a hepatitis C virus infection.

(a) Is being treated for a life-threatening emergency;

(b) Has previously been offered or has been the subject of a hepatitis C screening test; however, if the person's medical condition indicates the need for additional testing, a test shall be offered; or

(6) The State Surgeon General shall submit a status report evaluating the effectiveness of the hepatitis C testing program established in this section by January 1, 2016. (Amendment Bar Code: 024061)

Amendment 1 (with title amendment)—Remove everything after the enacting clause and insert:

Section 1. Paragraph (b) of subsection (2) of section 627.062, Florida Statutes, is amended to read:

627.062 Rate standards.—

(2) As to all such classes of insurance:

(b) Upon receiving a rate filing, the office shall review the filing to determine if a rate is excessive, inadequate, or unfairly discriminatory. In making that determination, the office shall, in accordance with generally accepted and reasonable actuarial techniques, consider the following factors:

1. Past and prospective loss experience within and without this state.
2. Past and prospective expenses.
3. The degree of competition among insurers for the risk insured.
4. Investment income reasonably expected by the insurer, consistent with the insurer's investment practices, from investable premiums anticipated in the filing, plus any other expected income from currently invested assets

representing the amount expected on unearned premium reserves and loss reserves. The commission may adopt rules using reasonable techniques of actuarial science and economics to specify the manner in which insurers calculate investment income attributable to classes of insurance written in this state and the manner in which investment income is used to calculate insurance rates. Such manner must contemplate allowances for an underwriting profit factor and full consideration of investment income that produces ~~which produce~~ a reasonable rate of return; however, investment income from invested surplus may not be considered.

5. The reasonableness of the judgment reflected in the filing.

6. Dividends, savings, or unabsorbed premium deposits allowed or returned to ~~Florida~~ policyholders, members, or subscribers in this state.

7. The adequacy of loss reserves.

8. The cost of reinsurance. The office may not disapprove a rate as excessive solely due to the insurer having obtained catastrophic reinsurance to cover the insurer's estimated 250-year probable maximum loss or any lower level of loss.

9. Trend factors, including trends in actual losses per insured unit for the insurer making the filing.

10. Conflagration and catastrophe hazards, if applicable.

11. Projected hurricane losses, if applicable, which must be estimated using a model or method found to be acceptable or reliable by the Florida Commission on Hurricane Loss Projection Methodology, and as further provided in s. 627.0628.

12. Projected flood losses for personal residential property insurance, if applicable, which may be estimated using a model or method, or a straight average of model results or output ranges, independently found to be acceptable or reliable by the Florida Commission on Hurricane Loss Projection Methodology and as further provided in s. 627.0628.

~~13.12.~~ A reasonable margin for underwriting profit and contingencies.

~~14.13.~~ The cost of medical services, if applicable.

~~15.14.~~ Other relevant factors that affect the frequency or severity of claims or expenses.

The provisions of this subsection do not apply to workers' compensation, employer's liability insurance, and motor vehicle insurance.

Section 2. Subsection (3) of section 627.0628, Florida Statutes, is amended to read:

627.0628 Florida Commission on Hurricane Loss Projection Methodology; public records exemption; public meetings exemption.—

(3) ADOPTION AND EFFECT OF STANDARDS AND GUIDELINES.—

(a) The commission shall consider any actuarial methods, principles, standards, models, or output ranges that have the potential for improving the accuracy of or reliability of the hurricane loss projections used in residential property insurance rate filings and flood loss projections used in rate filings for personal lines residential flood insurance coverage. The commission shall, from time to time, adopt findings as to the accuracy or reliability of particular methods, principles, standards, models, or output ranges.

(b) The commission shall consider any actuarial methods, principles, standards, or models that have the potential for improving the accuracy of or reliability of projecting probable maximum loss levels. The commission shall adopt findings as to the accuracy or reliability of particular methods, principles, standards, or models related to probable maximum loss calculations.

(c) In establishing reimbursement premiums for the Florida Hurricane Catastrophe Fund, the State Board of Administration must, to the extent feasible, employ actuarial methods, principles, standards, models, or output ranges found by the commission to be accurate or reliable.

(d) With respect to a rate filing under s. 627.062, an insurer shall employ and may not modify or adjust actuarial methods, principles, standards, models, or output ranges found by the commission to be accurate or reliable in determining hurricane loss factors for use in a rate filing under s. 627.062. An insurer shall employ and may not modify or adjust models found by the commission to be accurate or reliable in determining probable maximum loss levels pursuant to paragraph (b) with respect to a rate filing under s. 627.062 made more than 60 days after the commission has made such findings. This

paragraph does not prohibit an insurer from using a straight average of model results or output ranges for the purposes of a rate filing for personal lines residential flood insurance coverage under s. 627.062.

(e) The commission shall adopt actuarial methods, principles, standards, models, or output ranges for personal lines residential flood loss no later than July 1, 2017.

~~(f)(e)~~ The commission shall ~~revise~~ ~~adopt revisions to~~ previously adopted actuarial methods, principles, standards, models, or output ranges every ~~odd~~ ~~numbered odd~~ year.

~~(g)(f)~~ 1. A trade secret, as defined in s. 688.002, that is used in designing and constructing a hurricane loss model and that is provided pursuant to this section, by a private company, to the commission, office, or consumer advocate appointed pursuant to s. 627.0613, is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

2.a. That portion of a meeting of the commission or of a rate proceeding on an insurer's rate filing at which a trade secret made confidential and exempt by this paragraph is discussed is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution. The closed meeting must be recorded, and no portion of the closed meeting may be off the record.

b. The recording of a closed portion of a meeting is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

c. This subparagraph is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2015, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 3. Section 627.715, Florida Statutes, is created to read:

627.715 Flood insurance.—An authorized insurer may issue an insurance policy, contract, or endorsement providing personal lines residential coverage for the peril of flood on any structure or the contents of personal property contained therein, subject to this section. This section does not apply to commercial lines residential or commercial lines nonresidential coverage for the peril of flood. This section also does not apply to coverage for the peril of flood that is excess coverage over any other insurance covering the peril of flood. An insurer may issue flood insurance policies, contracts, or endorsements on a standard, preferred, customized, or supplemental basis.

(1)(a) 1. Standard flood insurance must cover only losses from the peril of flood, as defined in paragraph (b), equivalent to that provided under a standard flood insurance policy under the National Flood Insurance Program. Standard flood insurance issued under this section must provide the same coverage, including deductibles and adjustment of losses, as that provided under a standard flood insurance policy under the National Flood Insurance Program.

2. Preferred flood insurance must include the same coverage as standard flood insurance but:

a. Include, within the definition of "flood," losses from water intrusion originating from outside the structure that are not otherwise covered under the definition of "flood" provided in paragraph (b).

b. Include coverage for additional living expenses.

c. Require that any loss under personal property or contents coverage that is repaired or replaced be adjusted only on the basis of replacement costs up to the policy limits.

3. Customized flood insurance must include coverage that is broader than the coverage provided under standard flood insurance.

4. Supplemental flood insurance may provide coverage designed to supplement a flood policy obtained from the National Flood Insurance Program or from an insurer issuing standard or preferred flood insurance pursuant to this section. Supplemental flood insurance may provide, but need not be limited to, coverage for jewelry, art, deductibles, and additional living expenses. Supplemental flood insurance does not include coverage for the peril of flood that is excess coverage over any other insurance covering the peril of flood.

(b) "Flood" means a general and temporary condition of partial or complete inundation of two or more acres of normally dry land area or of two or more properties, at least one of which is the policyholder's property, from:

1. Overflow of inland or tidal waters;

2. Unusual and rapid accumulation or runoff of surface waters from any source;

3. Mudflow; or

4. Collapse or subsidence of land along the shore of a lake or similar body of water as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels that result in a flood as defined in this paragraph.

(2) Any limitations on flood coverage or policy limits pursuant to this section, including, but not limited to, deductibles, must be prominently noted on the policy declarations page or face page.

(3)(a) An insurer may establish and use flood coverage rates in accordance with the rate standards provided in s. 627.062.

(b) For flood coverage rates filed with the office before October 1, 2019, the insurer may also establish and use such rates in accordance with the rates, rating schedules, or rating manuals filed by the insurer with the office which allow the insurer a reasonable rate of return on flood coverage written in this state. Flood coverage rates established pursuant to this paragraph are not subject to s. 627.062(2)(a) and (f). An insurer shall notify the office of any change to such rates within 30 days after the effective date of the change. The notice must include the name of the insurer and the average statewide percentage change in rates. Actuarial data with regard to such rates for flood coverage must be maintained by the insurer for 2 years after the effective date of such rate change and is subject to examination by the office. The office may require the insurer to incur the costs associated with an examination. Upon examination, the office, in accordance with generally accepted and reasonable actuarial techniques, shall consider the rate factors in s. 627.062(2)(b), (c), and (d), and the standards in s. 627.062(2)(e), to determine if the rate is excessive, inadequate, or unfairly discriminatory.

(4) A surplus lines agent may export a contract or endorsement providing flood coverage to an eligible surplus lines insurer without making a diligent effort to seek such coverage from three or more authorized insurers under s. 626.916(1)(a). This subsection expires July 1, 2017.

(5) In addition to any other applicable requirements, an insurer providing flood coverage in this state must:

(a) Notify the office at least 30 days before writing flood insurance in this state; and

(b) File a plan of operation and financial projections or revisions to such plan, as applicable, with the office unless the insurer maintains at least \$35 million in surplus. For purposes of this paragraph, an insurer may demonstrate such surplus if the insurer group surplus is used to support covered flood insurance risks through a pooling arrangement or intercompany reinsurance.

(6) Citizens Property Insurance Corporation may not provide insurance for the peril of flood.

(7) The Florida Hurricane Catastrophe Fund may not provide reimbursement for losses proximately caused by the peril of flood, including losses that occur during a covered event as defined in s. 215.555(2)(b).

(8) An agent obtaining an application for flood coverage from an authorized or surplus lines insurer for a property receiving flood insurance under the National Flood Insurance Program must obtain an acknowledgment signed by the applicant before placing the coverage with the authorized or surplus lines insurer. The acknowledgment must notify the applicant that the full risk rate for flood insurance may apply to the property if such insurance is later obtained under the National Flood Insurance Program.

(9) With respect to the regulation of flood coverage written in this state by authorized insurers, this section supersedes any other provision in the Florida Insurance Code in the event of a conflict.

Section 4. This act shall take effect upon becoming a law.
